RECOGNIZING
WOMEN IN THE
COMMUNITY
FOR THE PAST 36
YEARS

To whom this may concern,

I hope this letter finds you well. As a valued member of our community, we are reaching out to request your support for an event that embodies the power of collective impact and equity advancement.

The Women's Chamber of Commerce of Miami-Dade County is proud to announce the 25th Annual Thelma Gibson Awards on Wednesday, October 29th, 2025 at LEVEL THREE MIAMI at 6pm, an event that celebrates the remarkable achievements of women in business while championing the principles of equity and inclusivity. As we prepare for this transformative occasion, we seek partners like you who recognize the strength of collective action in effecting population and system change.

Your donation and sponsorship will contribute to a network of community members, organizations, and institutions dedicated to advancing equity by learning together and striving for meaningful population and system change. By supporting the Women's Chamber, you align with our mission to empower women and foster economic growth, while also advocating for broader societal transformation.

For four decades, the Women's Chamber of Commerce has served as a catalyst for positive change in Miami-Dade County. With a member database exceeding 6,000, our chamber represents a diverse network of individuals committed to creating a more equitable and prosperous community.

One of our flagship initiatives, the Thelma Gibson Awards, serves as a platform for recognizing individual impact and excellence in the community. Through scholarships and grants provided by the Women's Chamber, we empower aspiring entrepreneurs to overcome barriers and realize their full potential, thereby contributing to broader population-level shifts in economic opportunity and equality.

Thank you for considering our request, and we eagerly anticipate the opportunity to collaborate with you in advancing equity and empowerment for all.

Women's Chamber of Commerce of Miami-Dade County
